A WIDE RANGE OF AIR FRESHENERS

CHEMSOLVE launches a wide range of passive Air Fresheners that uses natural air flow to dispense fragrance and eliminates the use of liquids or battery-operated dispensers.

FEATURES AND BENEFITS:

- ✓ Provides continuous fragrance for 30 days up to 60 days
- ✓ 100% Recyclable and environmentally friendly EVA polymer
- ✓ Masks bad odour & improves guest experience
- ✓ Boosts restroom hygiene
- ✓ Cost-effective odour control solution

100%
RECYCLABLE
