

ABOUT MEDICOM

Medicom Australia
Office Warehouse

Mission Statement

The Medicom Group is a global healthcare company dedicated to enhancing, manufacturing, and distributing infection control, single-use and preventive products for medical, dental, industrial, veterinary, and laboratory markets.

We strive to provide distributors, professionals and their patients, the most trusted branded and private label products at a outstanding value.

We bring entrepreneurial passion to everything we do in order to create remarkable customer experiences.

Profile

- Medicom was established in 1988 and has been the leading company in infection control products.
- Medicom is a manufacturer and distributor of high quality dental and medical professional-use supplies, along with a comprehensive line of oral healthcare products.
- Medicom is globally recognized today as one of the key suppliers of medical disposable products. We have earned trust and respect from customers across 65 countries where our distribution network encompasses.
- Our manufacturing plants are located in the United States, the Netherlands, France, China, Taiwan and Malaysia.
