

# PRODUCT GUIDE

WAGTAIL TOOLS ARE BUILT BY WINDOW CLEANERS FOR WINDOW CLEANERS WHO ARE AFTER THE COMPETITIVE EDGE. A COMPANY DEFINED BY INNOVATION THAT REVOLUTIONISED THE CLEANING INDUSTRY 30 YEARS AGO WITH THE MUCH CELEBRATED WAGTAIL PIVOT TECHNOLOGY.

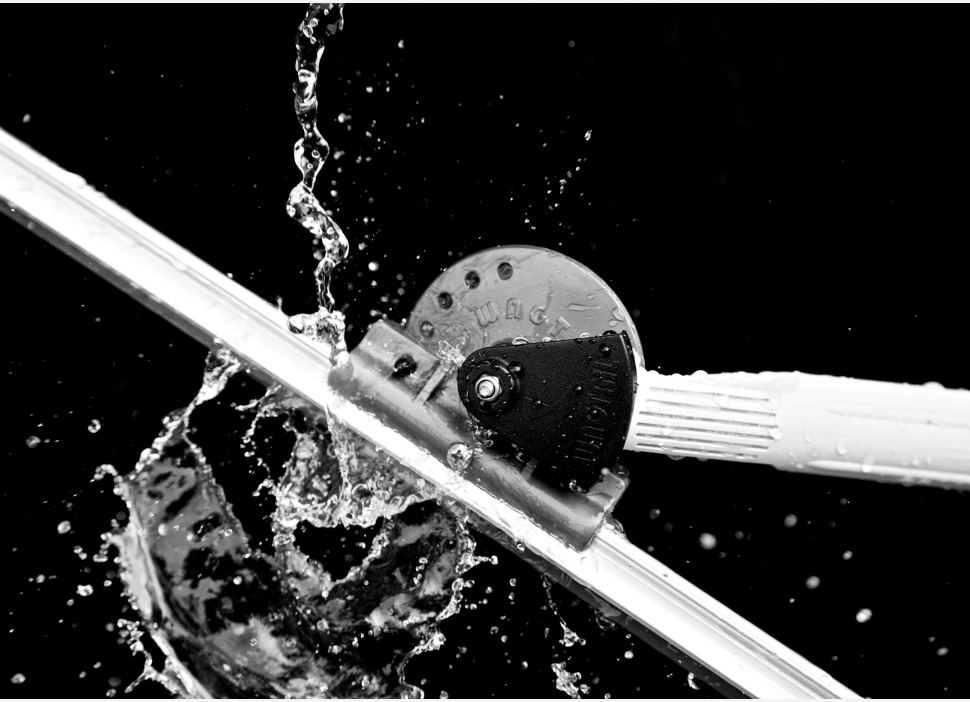

# POWER OF THE PIVOT

## INVENTORS OF THE PIVOT

The unique pivot technology is still one of the most revolutionary and progressive developments the industry has ever seen.

Scientifically proven to reduce strain & increase speed

Our tools are unmatched when it comes to speed, efficiency, profitability, workflow, ergonomics and cleaning results.

## ERGONOMIC HANDLE

- ▶ Robust and lightweight
- ▶ Long handle with thumb grooves for comfort and easy grip
- ▶ Anti Slip texture and will not heat up from the sun
- ▶ Reach into deep window ledges
- ▶ Convenient tie off hole at end of handle for safe rope access cleaning

## PIVOT TECHNOLOGY

- ▶ Multiple Award Winning Product Design Innovation
- ▶ Functionality and performance at it's best
- ▶ Freely pivoting for cleaning at maximum speed, intuitive user control and precision
- ▶ Scientifically proven ergonomic innovation - Reduces fatigue and common strain type injuries.
- ▶ Further reach compared to fixed handle squeegees
- ▶ Clean difficult to reach areas and around obstacles
- ▶ Effortless to operate by hand and dramatically improves the ease and flexibility of working at any height on a pole
- ▶ Consistently maintains optimal squeegeeing angle to the surface
- ▶ The pivot action is proven to make Wagtail tools the fastest and most efficient cleaning apparatus in the world

## DISC

- ▶ Curved disc for smooth pivoting
- ▶ Limiter pin holes to customise pivot range (sold Separately)

## SQUEEGEE CHANNEL

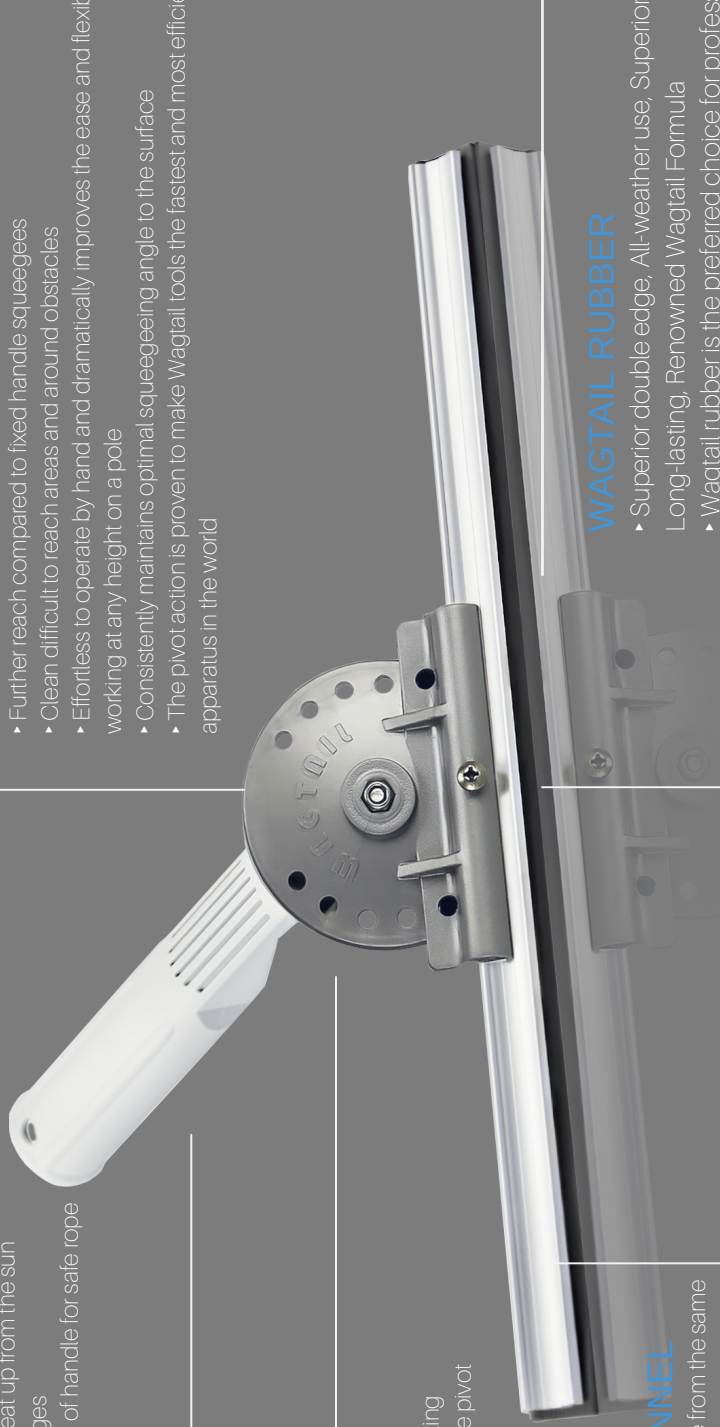

- ▶ The Wagtail channel is made from the same grade of aluminium used in the aerospace industry
- ▶ The design is engineered specifically for strength and durability as well as being comfortably lightweight

## CHANNEL LOCK

- ▶ Loosen screw to easily change channel

## WAGTAIL RUBBER

- ▶ Superior double edge, All-weather use, Superior Glide, Long-lasting, Renowned Wagtail Formula
- ▶ Wagtail rubber is the preferred choice for professionals when performance and results matter
- ▶ Dimpled channel for quick and easy rubber replacement

# MEET OUR *RANGE*

## SQUEEGEES

6" 8" 10" 12" 14" 16" 18" 20"  
22" 24"

### SLIMLINE

- pivoting handled Squeegee
- slim & strong aluminium channel
- lightweight
- Slim design for tight spots

6" 8" 10" 12" 14" 16" 18" 20"  
22" 24"

### PC (PIVOT CONTROL)

- Ideal for first-time Wagtail users
- Adjustable pivot range
- The PC pivot design enables greater accuracy and smooth movement
- The ergonomic design means it requires light touch and relaxed grip

12" 14" 16" 18" 20" 22" 24" 30"

### ORBITAL

- wider, robust aluminium channel
- Easily closeout and get into deep framed edges
- fixed with the ergonomic plastic WAGTAIL handle
- Great for speedy precision pole work on windows and floors

12" 14" 16" 18"

### POWER PIVOT

- nylon bearing for smoother squeegee action
- Designed to require less detailing
- increases leverage for closing out
- 25° angle = greater reach
- applies power steered responsive movement gives accuracy with speed
- our strongest aluminium channel

# COMBINATION

12" 14" 16" 18"

## HIGH FLYER

- the ultimate combination tool
- developed primarily for the rope access window cleaner
- Interchangeable scrubber and squeegee
- Dual Pivot allows flat mop to stay in contact with the glass at all times
- Flat Edge for precision detailing
- Fixed Microfibre Cleaning Pad
- Anodised Aluminium channel

12" 14" 16" 18"

## SLIMLINE FLIPPER

- Combination Mop and Squeegee
- Lightweight
- slim & strong aluminium channel

12" 14" 16" 18"

## PC (PIVOT CONTROL) FLIPPER

- Combination Mop and Squeegee
- Ideal for first-time Wagtail users
- Adjustable pivot range
- The PC pivot design enables greater accuracy and smooth movement

12" 14" 16" 18"

## POWER PIVOT FLIPPER

- Microfibre Pad with extra sponge layer to hold plenty of water
- Unique hydrating Glide Sponge Pad
- Our strongest aluminium channel
- Great for fast window cleaning by hand or using a pole

# GLIDE

8" 10" 12" 14" 16" 18"

## GLIDE SQUEEGEE

- The Pivot Control handle gives the user full control over pivot movement
- Unique hydrating glide strip bar to enhance lubrication when squeegeeing to ensure a streak-free finish
- Microfibre Glide Strip lightly washes window whilst squeegee wipes simultaneously

7" 14"

## E-SQUEEGEE

- The solution to tough, hard to clean Low E-Glass and Perspex screens
- Made in non-scratch plastic
- easily washes, wipes, cleans and leaves glass dry and streak-free
- designed to glide easily across Low E-Glass without harsh chemicals

7" 14"

## HYGIENIE SQUEEGEE

- Scientifically proven to remove 99.99% of germs & bacteria
- Features clip-on absorbent pad that catches contaminated water
- Rubber blade leaves the surface dry and germ free
- Lightweight plastic squeegee

12" 14" 16" 18"

## POWER PIVOT GLIDE

- Glide Sponge Pad provides continuous glide
- Unique hydrating Glide Sponge Pad to enhance lubrication when squeegeeing to ensure perfect glide and a streak-free finish
- Squeegees glass even in full sun
- Catches drips for less clean up after squeegeeing

# WATER FED

12" 14" 18"

## WAVE

- multi-jet channel produces an even flow of water
- Flat base for extra agitation & enhanced scrubbing power
- Fixed Microfibre Cleaning Pad delivers better surface contact than traditional water fed brushes
- Responsive tilt and pan control with the double pivot
- durable, lightweight & non-scratch plastic channel

## APPLICATORS

14" 18"

### PIVOTING APPLICATOR

- Pivoting T-Bar style applicator
- Features ultra absorbent Microfibre Sleeve

14" 18"

### FLAT BASE WINDOW MOP

- Pivoting applicator
- Powerful scrubbing
- Flat base for extra agitation
- Extra reach
- Thick microfibre pad
- Scouring strip for stubborn marks

# POLES

## EXTENSION POLE

- Aluminium Extension Pole with adjustable Ergonomic Pole Tip.
- Available in sizes:  
110cm - 180cm (43" - 70")  
1.8m - 6m (70.8" - 20')

## FLEX POLE

- mini extension pole
- 43" 110cm
- features an Angle Arm and a Longreach Arm

## ANGLE ARM

- adapter or gooseneck that gives extra reach
- creates optimal angles for accessing hard to reach windows

## LONGREACH ARM

- versatile adapter that gives extra reach
- extend an additional 18cm for accessing hard to reach windows
- attach the Longreach Arm to create a longer handle

# REPLACEMENT PARTS

We want our customers to get the most out of their Wagtail Tools so we offer the following replacement parts:

- WAGTAIL BLACK RUBBER
- MICROFIBRE PAD & SLEEVE
- GLIDE SQUEEGEE PAD
- SPONGE PAD PACK
- SLIMLINE CHANNELS
- REPLACEMENT CLIP SET
- SLIMLINE HANDLE
- PIVOT CONTROL HANDLE
- LIMITER PINS
- WATER-FED WAVE BAR REPLACEMENT
- HOOK FASTENER REPLACEMENT

THE PIVOTAL CHANGE IN CLEANING
